7. Meet Your Chief Negotiators During Winter Campus Visits and Ongoing Bargaining Town Halls

UTFA Co-Chief Negotiators and other members of the Negotiating Team visited UTM on February 1. We will visit UTSC on February 8, and UTSG after Reading Week. We love having the chance to meet members in person, share updates, and hear about your concerns and priorities. Please register at faculty@utfa.org for the February 8 session. Hear from your Chief Negotiators about what [the recent arbitration award](#) means for you, learn more about how it's being implemented, and help shape our current round of bargaining. Your insights and input are essential! For registration information, please follow [this link](#).

UTFA Co-Chief Negotiators and other members of the Negotiating Team hosted a special online Town Hall meeting on Tuesday, January 23rd. The well-attended meeting was open to all active Teaching Stream faculty, including part-time, full-time, and CLTA members. Leaders from the Negotiating Team provided updates on the current round of bargaining with a specific focus on priorities that directly affect the Teaching Stream. The session was interactive, and members shared questions and ideas about UTFA's bargaining priorities and the proposals being exchanged with the Administration.
