Virtual Town Hall - Ford's budget and what's next?

We will be presenting information and analysis on the provincial budget, specifically how our members will be affected by cuts to public services and the education sector. We will go over what is next in terms of campaigning for change from the Ontario Federation of Labour. There will be time for questions, and documents will be available for download.

This Virtual Town Hall uses accessible technology and allows you to participate remotely.

Please register at: <https://attendee.gotowebinar.com/register/361617678223699213>

After registering, you will receive a confirmation email containing information about joining the webinar.
